OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 2 November 1960

25X1 1. [] Checked with Roland Severy, Bureau of the Budget, on the progress of the Executive Order implementing the Overseas Differentials and Allowances Act. Severy indicated that the order still is in process in the Bureau and while there have been minor changes, no substantive changes have been made in the draft as submitted to us. He expects the State Department regulations to come out this week as well as the Civil Service Commission's proposed regulations on home leave. Presumably, these will be submitted to various agencies and departments for comment prior to publication.
